

HOW TO DRAW PHINEAS

Step 1

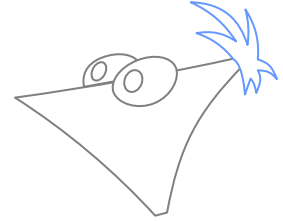

Phineas is just a big triangle.

Step 2

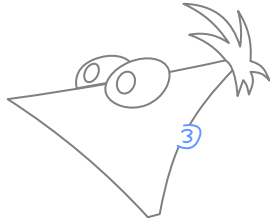

His eyes rest upon the top of his head.

Step 3

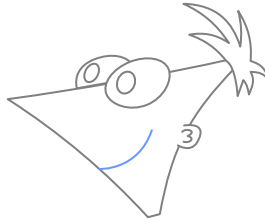

He's got a tuft of hair on one corner of the triangle.

Step 4

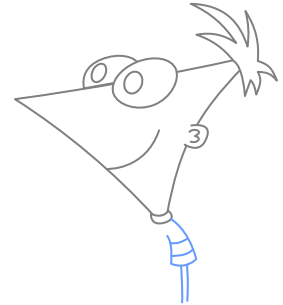

He's got a little ear with a 3 in it.

Step 5

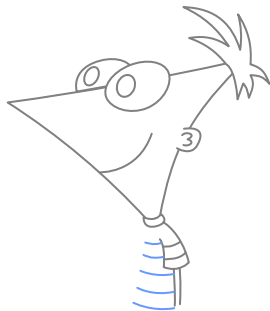

Big ol' smile on his face.

Step 6

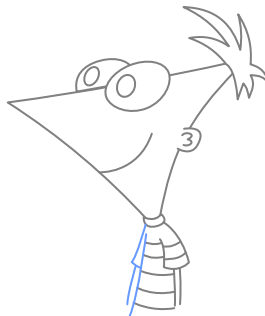

Stripe on his sleeve with a skinny, spindly little arm.

Step 7

Stripes on his shirt.

Step 8

The other sleeve and arm.

Step 9

There you go, there's Phineas!

HOW TO DRAW FERB

Step 1

Ferb is a like a big rectangle. Bigger at the top than at the bottom.

Step 2

One of his eyes is bigger than the other. And a big square nose.

Step 3

Little tiny mouth with a neutral expression and an ear with a 3 in it.

Step 4

Scruffy hair at the top.

Step 5

Very starched collar that sticks out much further than the shirt.

Step 6

Little tiny sleeves.

Step 7

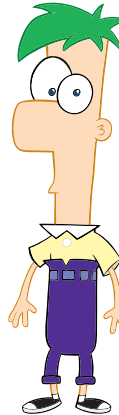

where his spindly arms hang out.

Step 8

His belt is right underneath his armpits. Wearing his pants up high.

Step 9

And there you have Ferb!

HOW TO DRAW CANDACE

Step 1

Candace is like a big backwards letter "P" depending on which way she is facing.

Step 2

Her hair comes to a "V" at the top of her head. Pointy top and curls at the bottom.

Step 3

Her two eyes lie at the top of her head like frying eggs.

Step 4

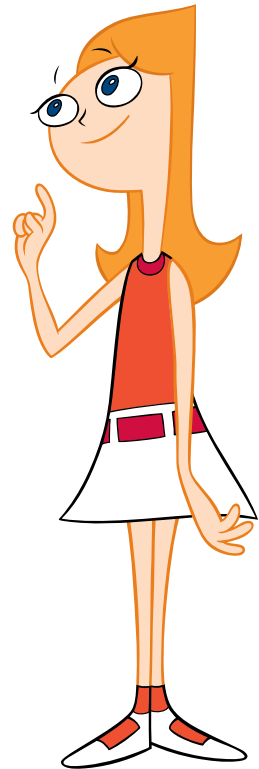

She has a tiny nose, eyelashes and a smile when she's happy. She's very easily excited and not always in that smile mode.

Step 5

She wears a sleeveless dress with spindly arms. All the characters in this show have thin arms, it's more fun to draw them that way.

Step 6

And there's Candace!

HOW TO DRAW PERRY THE PLATYPUS

Step 1

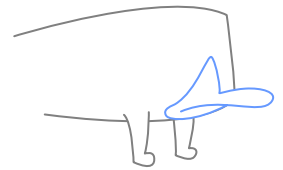

Perry the Platypus is like a big rectangular loaf of bread.

Step 2

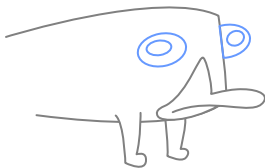

He's got these little tiny feet at the front of him.

Step 3

He's got a bill that attaches at an angle.

Step 4

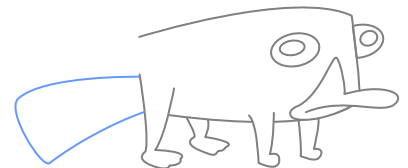

When in pet mode his eyes never focus, looking in opposite directions.

Step 5

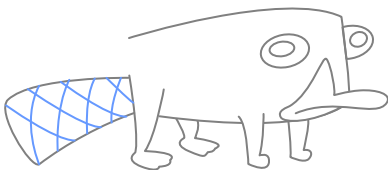

He's got webbed feet, like Platypuses are known to have.

Step 6

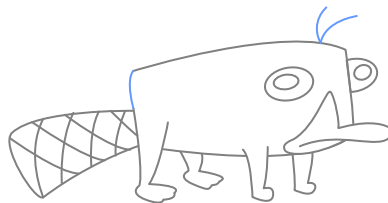

And a tail.

Step 7

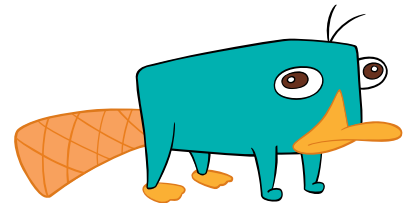

like a beaver.

Step 8

And two little tufts of hair up top.

Step 9

And there you have Perry the Platypus in his pet mode.

HOW TO DRAW AGENT P

Step 1

Perry the Platypus,

Step 2

when in Secret Agent mode has a fedora he puts on.

Step 3

Unlike when he is a pet, his eyes are full of steely blue resolve.

Step 4

His hands are always ready.

Step 5

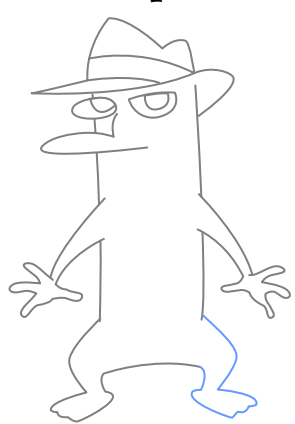

They are lethal weapons.

Step 6

His legs are bent.

Step 7

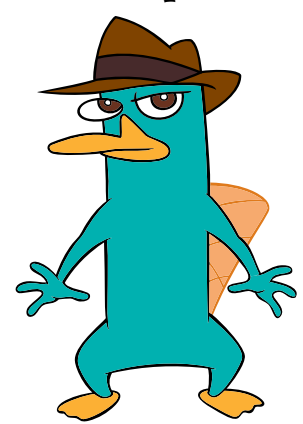

ready for action at a moment's notice.

Step 8

Always standing on his back feet, his tail behind him all the time.

Step 9

He's tough and ready to get the job done.
