Sub. : Invitation to receive Dr Shirin Gadhia Sustainability Award to be given to you on 19th June 2011.

Dear Ajay

Jai Sri Krishna.

We are happy to inform you that You and PRINCE have been selected by our NGO Eco Center ICNEER to receive "Dr. Shirin Gadhia Sustainability Award" for the innovations and promotional work you have done in renewable energy.

"Dr. Shirin Gadhia Sustainability Award" has been created in memory of Dr. Mrs. Shirin Gadhia to recognise people who have contributed to the cause of Solar and sustainability. As you may be aware Dr. Shirin Gadhia was Founder and President of Ngo Eco Center ICNEER and that she expired on 5th April 2011 due to cancer. She is no more on earth with us but her spirit and work started by her will continue and we as Eco Center ICNEER are committed to continue her work and take it too all nook and corner of India and world.

The Award would consist of Certificate, a Trophy and a token amount of Rs 11,000 and would be handed over to the recipient at Function to be held at and in co-operation with Muni Seva Ashram Goraj on 19th June 2011. 19th June also happens to be Dr Shirin Gadhia's Birthday and all 1200 members and residents of Muni Seva Ashram have been invited for dinner and also other recipients' of Award would also be present and some other dignitaries are also expected.

We request you to be present personally to receive the Award and please send us your itenary of your arrival and departure to Vadodara so that we can arrange for pick up and drop to Station or Airport and also number of people that would be accompanying you and number of nights you will spend at Ashram so that we can make arrangements for same. Ashram has kindly offered to provide local hospitality and you would be staying in "Atithi Mandir" Guest House of Ashram.

Looking forward to honour you so that more people come to know of your great work and get inspired to follow your footsteps to promote the cause of Environmental Protection and Rejuvenation through spread of Solar and work towards Sustainable Development.

With Sunny Greetings and Love

Deepak Gadhia and Trustees and Team and Well Wishers of Eco Center ICNEER
