Wii™

The cover art for the Disney Club Penguin Game Day! instruction booklet is a vibrant, cartoonish illustration of a winter festival. In the center, a large, white, snow-like shape contains the title "Disney CLUB PENGUIN GAME DAY!" in stylized, colorful letters. The scene is set in a snowy landscape with a blue sky and colorful string lights. Various Club Penguin characters are depicted: a large, smiling character made of stacked bread at the top; a blue penguin in a red and white outfit holding a large stack of bread; a red penguin in a white sailor hat; a green penguin in a yellow jacket holding a glowing blue orb; a black penguin in a green outfit; and a green character with a red hat and a propeller on its head. In the foreground, three penguins are riding a brown, mechanical sled or car on a snowy slope, splashing water. The entire scene is framed by a dashed pink border.

Explore the world of Club Penguin on your Wii, earn and upload coins, unlock exclusive items and sync your Game Day Wii penguin with your online penguin.

Each team color has its own unique personality, mix of games and home base on the island.

Compete in 12 games, each with multiple levels and difficulties, playable with up to 4 players. Hurl snowballs at other players, bobsled at top speeds down a mountain, hop to the finish line in a java sack race, score the most points in a dance off, and much more. In addition to the events, there are 12 unique challenges characteristic of each team color, playable with up to 4 players.

Play in any of the three gameplay modes: Story, Quick Play or Tournament. In Story Mode, travel to each of the six locations on the island and challenge the opposing teams to a series of 4 games plus a final challenge. Defeat all the teams and conquer the island. In Quick Play, brush up on favorite events or challenge friends to an event. In Tournament Mode, play together in teams or solo to see how many points you can get.

TIPS 'N TRICKS

Waddling Around

How does a penguin get from place to place on Penguin Island? By waddling, of course! To get your penguin to waddle the right way, use your **Wii Remote** to position the cursor where you want your penguin to go, then hold the **A Button** to 'click' it. If you're in a hurry, click the map icon and then click the place on the map you want to go.

Penguin Personalization

You can customize your penguin by viewing your player card. To open your player card, use your **Wii Remote** to position the cursor over your penguin and click by pressing the **A Button**.

Coins

Earn coins by competing in games. The better you do, the more coins you earn. You can spend your coins in the Gift Shop or you can transfer them to your Club Penguin account online and spend them there.

Cheering

When you play a game series in Story Mode, you can help your team win - even if you aren't competing. How? By cheering for your teammates when it's their turn to compete! To cheer, shake your **Wii Remote**. The effects of your cheer depend on the game. The faster and longer you cheer, the greater the effect.

Take Your Penguin to Your Friend's House!

1. Transfer your penguin data to your **Wii Remote** using the Transfer Penguin screen via the Options menu.
2. Take your **Wii Remote** with you to a friend's house.
3. Load your penguin from the **Wii Remote** to your friend's Wii on the Choose Players screen. Click on the picture of a **Wii Remote** to load your penguin.
